PASTPERFECT 5.0

Designed by museum professionals for museum professionals, PastPerfect 5.0 is the affordable desktop solution that combines collection and contact management into one easy-to-use software package. With PastPerfect 5.0, you can streamline the acquisition and loan processes, catalog artifacts, produce reports and forms, track donations and memberships, create mailings, send emails, and much more.

First released in 1998, PastPerfect has transformed how museums of all sizes catalog collections and manage relationships with members and donors. Over 10,000 organizations have trusted PastPerfect for their museum management needs.

Collection Management

PastPefect 5.0's built-in tools and forms make managing collections easy. Document collections of all types and sizes using the Objects, Photos, Archives, and Library catalogs, with fields specific to each type of collection based on common standards and practices.

Contact Management

Record memberships, financial gifts, pledges, and volunteer hours for the contacts who interact with your organization. Send emails, produce bulk mailings, and print letters, envelopes, and labels easily through the use of Contact Lists.

Researching & Reporting

Search your collections in a variety of ways, including by keyword, query, and search term. Group, organize, and manage your records with Catalog Lists. With over 300 built-in and customizable reports as well as Report Maker, generating reports is straightforward and robust.

Security & Backups

Keep your data safe with built-in security features and backup utilities. Control user access to areas of the program and select functions. Protect your hard work by backing up your data and images to a local hard drive, CD/DVD, or removable drive.

MultiMedia Upgrade

Attach multiple images from a scanner, digital camera, or files already on your computer to each catalog record with the MultiMedia Upgrade. Supplement your records with additional media, such as PDFs, audio and video recordings, links to web pages, and more.

Network Upgrade

Access PastPerfect from multiple workstations on your network by giving staff simultaneous access to the program with the Network Upgrade. Accelerate data entry and create a more efficient workflow. Several licensing levels are available to fit your needs.

Online Access to Collections

Expand the reach of your organization by sharing your records online. From a research-based online presence with PastPerfect Online to online exhibits highlighting specific records with Virtual Exhibit, providing access from anywhere is easy, safe, and affordable.

Inventory Manager Upgrade

Achieve your goal of an organized collection with Inventory Manager. Quickly produce customizable checklists and worksheets, print barcode labels for easy tracking, and globally update your inventoried records.
